

Dear Parents of Junior and Senior Infants in Ard Rí,

As a member of our Parents Association Committee, I would like to welcome you all to Ard Rí Community National School.

We are a small but very strong link between the school and parents, so if there is anything you would like to discuss or need help with, please do not hesitate to contact us on:

parentsassociation.ardri@gmail.com or like our page on Facebook, where you can also send us a private message through messenger <https://www.facebook.com/ArdRiCNSParentsAssociation>

This year we have also assigned a parent to act as class administrator on whatsapp. Their role is to send our weekly reminders to parents such as change of PE days, non-uniform days, early closing etc. These parents will work closely with the parents association to ensure everyone is kept up-to-date and they can direct any school related queries to the Committee if required. If you wish to join these groups, please contact your class representative directly or contact the Parents Association on above links.

We support parents through our newsletter which gives information about our school and various events taking place through the school term. We also send out emails which provide information on webinars, training and resources that the National Parents Council send to our Chairperson. If you would like to receive our newsletter and valuable information, please send an email to parentsassociation.ardri@gmail.com stating the class and name of teacher, your child/children are presently attending.

Wishing all the new pupils the very best of luck in their new primary school adventure and sending positive vibes to the parents :)

Kind regards,

Katka De Araujo
