## ETB STUDENT PERSONAL ACCIDENT COVER

Despite everyone's best intentions, accidents do happen and in rare circumstances can have life-changing consequences. ETB Personal Accident Student Protection cover is designed to help families cope with the financial burden that often follows an accident and covers everything from medical expenses to permanent life changing injuries. The ETB Student Personal Accident cover is an innovative plan from IPB Insurance designed to provide financial support and assistance in the event of an accident to a student. Every year many children require hospital treatment following an accident and the consequences can be very serious, often leading to permanent disability.

Our insurance plan is designed to provide financial support for parents to meet some of the medical, dental and other bills that arise when serious accidents happen. It provides a wide range of insurance benefits and covers students on a 24 hour basis.

In these challenging times we understand that affordability is a factor for schools and parents alike, so we have designed a quality product at a premium which reflects our commitment to the whole ETB School Community. The cost for the cover is €6.80 per student and, as an ETB School, there is no application process necessary.

### Reasons to choose IPB insurance

Policy designed to **protect pupils and students** in ETB primary and post-primary schools.

As Ireland's only mutual insurer; our focus is on protecting our Member ETB schools' pupils and students. As a mutual IPB's policies are designed around the needs of our Members and their stakeholders so that **you can focus on what matters most, educating and supporting the needs of your students.**

IPB has been serving ETB's by protecting their insurable interests and that of their service users **since 1935.**
